

Treasure Island

As Scientists we will:

- Look at how science helps us to create pathways to remember things?

As Art and Designers we will:

- Learning different rubbing techniques

As Religious Explorers we will:

- Look at what it means to belong to a faith community

As Historians and Geographers we will:

- Look at where we are in the world with maps
- Look at different foods from different countries, discussing climates.
- Looking at the keys on a map.
- Looking at direction (north, east, south, west) for maps.

As Writers we will be writing:

- Poems
- Setting descriptions

As Readers we will be reading:

- Beegu
- Where the Wild Things Are

As Mathematicians we will be:

- Understanding place value within 10
- Using addition and subtraction within 10

As computing experts we will:

- Learn to navigate a Beebot (robot) forwards and backwards, following a plan and planning a route.

As Mindful Thinkers we will:

- Learn how to be part of a class team
- Learn what role people play in school and how we fit into that
- Understand democracy and how it works in the school environment
- Learn that our actions affect others

If you have any questions or would like some more information about our topic, please speak to us or contact us via Class Dojo.

Mr Hawkins, Mrs Boughtflower or Miss Waters
