

As Mathematicians we will be working on:

- Understanding angles in shapes
- Identifying regular and irregular shapes
- Interpreting and drawing line graphs
- Describing position and translation on a grid

As Religious Explorers we will:

- Understand why life is seen as a journey by some people
- Learn about 'coming of age' ceremonies in different religions

As French speakers we will learn:

- Types of homes and locations
- How to say the different names of rooms in a house
- How to say what we have/don't have in each room

As Writers we will be writing:

- News reports
- Explanatory Texts
- Poetry

As Readers we will be reading:

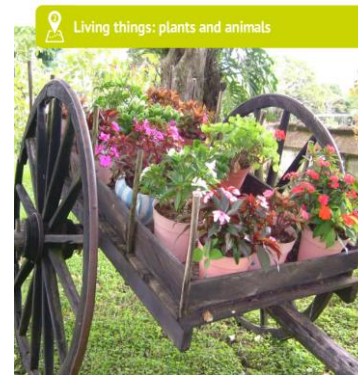

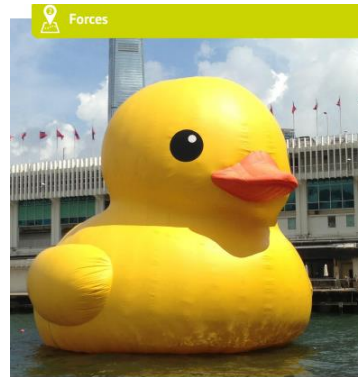

- The Wind in the Willows

As Scientists we will be:

- Planning and predict fair test
- Measuring force and gravity
- Discussing buoyancy
- Understanding function of the parts of a plant
- Finding out food chains and food webs.

As Sports Stars we will learn:

- Outdoor Adventure Activities
- Cricket

Entry point – Tug of War Investigation

If you have any questions or would like some more information about our topic, please come in and see us!
Mrs Baruah and Mr Ming.

As Mindful Thinkers we will:

- Where we come from and why we look like our parents
- The different parts of the male and female body
- Changes we might go through as we grow older

What can you do to help?

- **Read regularly and prompt your child to record in the reading record book**
- **Ensure correct PE kit is worn**
- **Learn times tables daily.**
- **Help your child set aside some time each week to do their homework.**
