Number & Place Value, Addition & Subtraction,
Multiplication & Division, Fractions

Name _____

Class _____

Number & Place Value

I can count from 0 in multiples of 4, 8, 50 and 100 and can find 10 or 100 more or less than a given number.

I can recognise the place value of each digit of a number with hundreds, tens and units.

I can compare and order numbers up to 1000.

I can find, show and estimate numbers using objects and pictures.

I can read and write numbers up to 1000 in numbers and words.

I can solve number and word problems.

Addition & Subtraction

I can add and subtract numbers in my head, including a three digit number and ones.

I can add and subtract numbers in my head, including a three digit number and tens.

I can add and subtract numbers in my head, including a three digit number and hundreds.

I can add and subtract numbers with up to three digits using formal column methods.

I can estimate the answer to a calculation and use this and inverse operations to check answers.

I can solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction.

Multiplication & Division

I can recall and use multiplication and division facts for the 3, 4 and 8 times tables.

I can calculate multiplication and division problems, both mentally and in writing, using the times tables, including two digit numbers times one digit numbers.

I can solve problems, including missing number problems, involving multiplication and division, including factors and ratio.

Fractions

I can count up and down in tenths, and know that tenths are made by dividing an object into 10 equal parts and dividing one-digit numbers or quantities by 10.

I can write and find fractions for a set of data and can recognise fractions with small denominators.

I can find and use fractions as numbers e.g. $1/4$ of 8 = 2 and $3/4$ of 8 = 6.

I can identify and show equivalent fractions.

I can add and subtract fractions with the same denominator within one whole.

I can compare and order fractions with the same denominator.

I can solve fraction problems.
