### Head Teacher School Message

It has been a brilliant end to the week with our Macmillan Coffee Morning and celebration of National Teaching Assistant Day! We truly have an incredible team of support staff, who are dedicated and make a huge difference to the education and welfare of our children. We are sending them one big thank you! Also, I would like to say how proud I am of our year 6 children, who visited The Natural History Museum in London this week.

You behaved impeccably- I know a *roarsome* time was had by all!

### Thank you!

Thank you all for your kind donations of money and cake for our Macmillan Coffee Morning. Thank you to everyone involved for helping to raise money for this great cause!

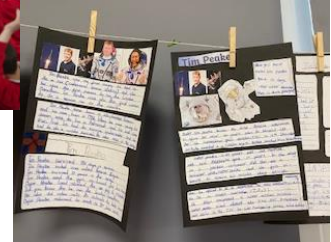

### Boomwhacker Workshop!

Year 1 and 2 took part this week in an engaging workshop that linked two tubular percussion instruments - they were performing and creating their own wonderful rhythm and rhyme!

The school was alive with the sound of them performing with their boomwhackers. The culture and music from Trinidad and Tobago echoed through the corridors! What fabulous musicians we have in our school!
