

Shake It!

As Scientists we will:

- Look at the 3 states of matter.
- Investigate how matter works.
- Understand states of matter.
- Look at states of matter in real life.

As Art and Designers we will make:

- Butter
- Ice cream
- Milkshakes

As Spellers we will learn:

- Homophones and near homophones (there, their, they're)
- The suffixes –ment, –ness, –ful, –less and –ly
- Contractions

As Writers we will:

- Write instructions
- Write third person narratives

As Readers we will be reading Sam Wu is Not Afraid of the Dark.

As Religious Explorers we will:

What do different people believe about God?

- Christian
- Hindu
- Muslim

As French speakers we will:

- Learn instrument names

As Mindful Thinkers we will:

- Discuss when new learning challenges us
- Work out the best ways for me to achieve

As Mathematicians we will be:

- Continuing to learn about different multiplication strategies.
- Multiplying 2 digit numbers with 1 digit numbers.
- Dividing 2 digit numbers by 1 digit numbers.

Three States of Matter

Entry Point:

We will be completing a milk testing. Looking at various types of milk we will see if we can figure out which type of milk is in the bottle.

Exit Point:

Designing and creating our own milkshakes.

As Sports Stars we will be learning:

- Gymnastics
- Swimming

Swimming is on Wednesdays and PE is on Fridays.

Students will come to school in PE kits.

If you have any questions or would like some more information about our topic, please speak to us or contact us via Class Dojo.

Miss Todd and Miss Horlock

Enrichment Activities:

- Milk testing
- Designing appealing containers for milkshakes
