

# Bright Sparks

## As Scientists we will:

- Learn about electrical circuits
- Investigate which materials conduct electricity
- Create a model house using electricity

## As Writers we will:

- Write a formal letter to complain
- Learn about dialogue through narrative
- Learn and write poems from different cultures

As Readers we will be reading **Leon and the Place Between and the Night Before Christmas.**

## As Mathematicians we will be:

- Learning the 3 times table
- Adding and subtracting 3 digit numbers
- Multiplying 2 digit by 1 digit numbers
- Dividing 2 digit by 1 digit numbers

If you have any questions or would like some more information about our topic, please speak to us or contact us via Class Dojo.

Miss Todd and Miss Horlock

## As Art and Designers we will:

- Create houses with electrical circuits

## As Religious Explorers we will:

- Explore the idea of being a Christian in Britain today.

## Entry point

Looking at different appliances around the school.

## Exit Point

Creating a mini village of houses using electrical circuits.

## What can you do to help in Year 3?

- Read regularly.
- Complete homework and spellings.
- Practice times tables daily.

## As Historians and Geographers we will:

- Learn about how electricity is made
- How electricity travels to houses
- The environmental issues with electricity

## As French speakers we will:

- Learn different animals.

## As Mindful Thinkers we will:

- Discuss what family means to everyone
- Understand the impact of bullying
- Learn how to be a kind friend

## As Sports Stars we will be learning:

**PE is on Thursdays and Fridays. Students will come to school in PE kits.**
