### Head Teacher Message

What a great week it's been here at school! The sun has been shining, and it's brought such a positive energy to all our learning. It's been wonderful to see everyone enjoying the beautiful weather while making the most of their time in class and beyond. Here's to more sunny days as we step forward into Spring.

A huge thank you to all our families for getting involved with World Book Day this year and for supporting our classes on their trips to the library. Your support is greatly appreciated.

### TPA Netball Tournament

Our netball tournament this week at Redhill Primary School was a fantastic display of teamwork and dedication.

After weeks of practice, the players came together as one strong unit, supporting each other every step of the way. Their hard work and team spirit truly shone, making us all proud. They were officially semi finalists!

A big thank you to Miss Gates and Mrs Pledge for their skill in preparing our team!

### World Book Day

This year's World Book Day was truly one to remember! Each class had the fantastic opportunity to visit the Edenbridge library on the build-up to the special day, where they explored a wide range of books, discovered new authors, and dove into worlds full of imagination.

Each visit was a chance to foster a deeper love for reading and broaden their literary horizons.

The grand finale of the week was a special visit from a real-life author, who captivated the children with stories from their own writing journey. They shared insights into the creative process, the power of storytelling, and the importance of reading. It was a truly inspiring experience for everyone involved!

We are so proud of how everyone embraced World Book Day this year- there were some truly amazing costumes from both the staff and children! We're excited to continue sparking curiosity and creativity through the magic of books. Here's to many more adventures in reading!

A huge thank you to Miss Brown for organising such fantastic World Book Day celebrations!
