Head Teacher Message

It's been a chilly week this week, but the children have been hot on the trail of lots of science facts for Science Week!

If you haven't done so already, please remember to sign up for a slot to meet with your child's class teacher at our upcoming parents' evening. This is a wonderful opportunity to find out how your child is progressing. If you have signed up and are unable to make it, you can amend your appointment online.

Next week is Art Week, and we are looking forward to showing off the creative masterpieces in our exhibition on Wednesday 26th March from 3:30pm - 4:15pm.

COMIC RELIEF

Get ready for a day of fun and fundraising! We'll be holding a **Wear Red Day on Friday 21st March** in exchange for donations in support of Comic Relief.

We are encouraging children and staff to come dressed in their brightest red outfits to help raise awareness and funds for this great cause. Whether it's a red t-shirt, red accessories, a full red costume or even just your red school jumper, let's show our support with lots of smiles and laughter! You can donate via School Gateway, or in cash on the day.

Science Week

This year's Science Week was an exciting journey into the theme of Change and Adapt. Our children explored how living things and the world around us evolve and adapt to changing environments. From the smallest changes in nature to the big ideas of innovation, the week was filled with curiosity and creativity.

Our science week came to a spectacular end with interactive workshops for every year group. We're proud of our young scientists and can't wait to see how they continue to explore the world of science!

A big thank you to Mrs Dellavalle, our Science Lead, for organising the week.
