### Head Teacher Message

It has been a busy week at school with assessments and lots of creative art work. The weather has been kind to us too. It has been lovely to see the children running around in the sunshine at playtimes.

Our year 1 children visited St Peter & St Paul's Church this week. Thank you to the church community for making this visit possible and enjoyable for the children.

A big well done too, to our girls and boys football team - they did themselves and our school proud competing in the finals!

### Sponsored Read

We would like to say well done and thank you to all the pupils, parents, carers, friends and family members that were part of the sponsored read. Together, you raised a whopping **£2,692!** Wow!

This money will go towards the purchase of new books, to support literacy development and foster a love of reading.

We always welcome donations of books for our Reception classes. If you have any gently used books that you no longer read at home, you are very welcome to drop them at the school office, and we will be delighted to put them to good use. Thank you again for all your support.

### Art Week

In school this week, we have been expanding and developing our artistic knowledge and skills. Each year group has focused on an artist or style of art. The children have been producing their own version using the skills and techniques used.

We have been exploring a range of different artists including abstract artist Piet Mondrian, Japanese contemporary artist Yayoi Kutsama and the island artist Jonathan Lam.

There have been some wonderful creations and we can't wait to show them off next week at our open gallery!
