

As Scientists we will be:

- Looking closely at the different parts of a plant
- Dissecting a plant
- Understanding how seeds are dispersed

As Citizens we will be:

- Looking at building our self esteem and have an understanding of who we are
- Understand the positive and negative influences of being part of an online community

As Mathematicians we will be:

- Drawing and interpreting graphs and tables
- Draw and measure angles accurately
- Measure regular and irregular polygons
- Read and plot coordinates

As Writers and Readers we will be:

- Myths and Legends
- Playscripts
- Poems which explore enrichment

As Religious Explorers we will be finding out:

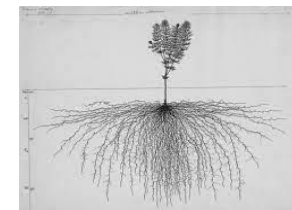

- What the 5 pillars of Islam are
- How Islam is practised in Britain today
- Understand the significance of Muslim art

As Art and Designers we will be:

Creating still life drawings of plants, leaves and roots.

Creating designs for Seed dispersal.

In PE we will be:

Learning basketball and tennis

What can you do to help?

- Read regularly
- Talk about the learning at home
- Complete homework, spellings and practise times tables

If you have any questions or would like some more information about our topic, please come in and see us!
