### Head Teacher Message

As we head into the final days of term, I just want to say how proud I am of everything our children have achieved this year. From their learning in the classroom to the way they support each other and grow as individuals, it's been a fantastic year. A big thank you as always for the support you give from home – it really makes a difference.

End-of-year reports have been emailed out to parents today. We hope you enjoy reading them and taking a moment to celebrate all the progress and achievements your child has made.

A special well done to our brilliant year 6 children – their SATs results were something to be really proud of. We're really looking forward to enjoying these last few days with them, especially their end-of-year performance and our leavers' celebrations.

### Year 1 Wakehurst Trip

As part of their exciting topic The Earth: Our Home, Year 1 took a fantastic trip to Wakehurst!

The children explored the beautiful gardens, discovered a variety of plants and trees, and even spotted some wildlife. Through hands-on activities, they deepened their understanding of how plants grow, what they need to survive, and the important role they play in our world. It was a wonderful day full of curiosity, learning, and outdoor adventure!

### Year 4 Bluebell Railway Trip

Year 4 had a fantastic time stepping back in time during their visit to the Bluebell Railway!

The children enjoyed a nostalgic steam train ride through the beautiful Sussex countryside, learned about the history of the railway, and explored the heritage stations. Highlights included seeing real-life signal boxes in action, and discovering how steam engines work!

It was a fun-filled day full of discovery and excitement—one we won't soon forget!
