Head Teacher Message

It has been a busy week for year 6 - the election process is fully underway! Speeches have been written and shared and the voting process is taking place! Next week, I will be able to formally introduce you to the 2025 - 2026 Head Pupils! On top of this, year 6 have had their first trip of the year to The London Natural History Museum.

Across the school, year groups from years 1-6, have their own pioneer to learn about, who has been selected for their qualities, achievements and demonstration of our school values. Our pioneers range from Tim Peake in year 5 to Nicola Adams in year 1. Our corridors have once again been filled with informative and engaging displays celebrating these incredible figures.

Don't forget that next week is our Macmillan Coffee morning- do come and join as at 10am in the school hall for a coffee and something sweet!

The Natural History Museum

Year 6 kicked off their new topic, Existing, Endangered, Extinct, with an exciting visit to the Natural History Museum. The trip served as the perfect entry point into their learning, giving the children a chance to explore real-life examples of species from the past and present. From towering dinosaur skeletons to detailed exhibits on endangered animals and ecosystems, the museum brought the topic to life in a truly memorable way.

A big thank you to the year 6 team and parent volunteers for making the trip possible.
