Head Teacher Message

What a fantastic half term it's been! From exciting school trips and brilliant classroom learning to sports wins and creative fun, there's been so much to celebrate across the school.

A big well done to all our children for their hard work, enthusiasm, and positivity—you've really earned a good rest!

Thank you to all our staff for their energy and commitment, and to our parents and carers for your ongoing support.

Wishing everyone a safe, restful and happy half term. We're looking forward to seeing the children back in school on Tuesday 4th November!

Year 4 Trip to The British Museum

Year 4 had an exciting and trip to the British Museum this week! The children were captivated by the incredible artefacts and exhibits, especially those linked to their current topic Temples, Tombs and Treasure.

To top off the day of the children got to experience an interactive workshop. They explored the famous tomb-painting of Nebamun by hunting in the marshes in the interactive presentation.

The trip brought classroom learning to life and sparked lots of curiosity and discussion.

A big thank you to all the staff and parent helpers who made the day such a success!

Double Win for Our Football Teams!

We're thrilled to celebrate a fantastic achievement from both our Girls' and Boys' Football Teams, who each secured impressive victories this week during their matches at Holland Junior School!

The players showed incredible teamwork, determination, and sportsmanship on the field. Their hard work and commitment to training truly paid off, with both teams delivering strong performances that led to well-deserved wins.

A big thank you to Holland Junior School for hosting the matches, and a huge well done to all our players—you've made us proud!

We look forward to defending our winning record at the upcoming TPA Finals!

Year 3 Human Body Workshops

Year 3 had a fantastic time this week in their interactive human body workshops. Their first workshop was called 'I can't believe my eyes!' The children explored the inner workings of the eye and how this connects to the brain. The second workshop was a big hit! The 'Gross Guts' workshop allowed the children to be immersed in the inner workings of the human digestive system - there was an incredible amount of slime and goo!
