Head Teacher Message

Happy New Year – a big welcome to 2026!

I hope that you had a peaceful holiday and the children enjoyed the time with family and friends. It has been a wonderful but very cold start to the Spring Term. As the cold weather snap continues, please ensure children are dressed appropriately and coats, hats and gloves are named. When it is safe to do so, the children will always be allowed out onto the playground for playtime.

The children have thrown themselves into the new year and their new topics. Our staff have surpassed themselves again with their creativity - incredible curriculum doors have sprung up across school providing many discussion points for what lies ahead with their topics!

Lunchtime Fun is in Full Swing!

Mr Johnson has taken on the responsibility this year of re-energizing lunchtimes to ensure there are lots of different activities to keep everyone entertained.

Our playground is now full of exciting new ways for children to play and explore at lunchtime. Children can score goals with the new football nets, get creative with chalk boards, try swing ball, build with construction blocks, or enjoy hands-on play in the new mud kitchen.

The playground is set up in different zones, and children can move freely between them, choosing something new each day. Lunchtimes are active, fun, and full of opportunities to discover a new favourite activity — now we just need the weather to be kind so the children can enjoy it all outside!

Before and After School Playground Supervision

Please could we politely remind everyone about supervising their children at the start and end of the day.

We kindly ask that the children refrain from going on the equipment in EYFS, climbing up in reading pods, playing with playground equipment, riding bikes or scooters and that all children stay in sight of their adults at all times.

Once your child has been dismissed from their class teacher, we kindly ask that you leave the school site promptly to allow the site to be locked and secured. Thank you for your understanding and support.
