### Head Teacher Message

It has been a busy week at school with assessments and lots of creative art work. The weather has been kind to us too. It has been lovely to see the children running around in the sunshine at playtimes.

We look forward to seeing many of you next week at Parents' Evening and celebrating the successes and progress your child is making.

### Musical Performances

We have enjoyed an amazing week of live music performances from the children including, rock bands, singers, pianists, drummers and many other instruments played. Pupils were confident, courageous and entertaining. It has been lovely to see so many children showing their love for music and sharing their talents.

### Art Week

In school this week, we have been expanding and developing our artistic knowledge and skills. Each year group has focused on an artist or style of art. The children have been producing their own version using the skills and techniques used. We have been exploring a range of different artists including abstract artist Piet Mondrian, Japanese contemporary artist Yayoi Kusama and the island artist Jonathan Lam. There have been some wonderful creations and we can't wait to show them off next week at

Parents' Evening.
